RE: Must Read School Documents

In an effort to continue to reduce the amounts of paper we consume, we are asking you to read the following documents online:

1. Blanchard Student Handbook
2. Safe Arrival Procedures
3. School Lunch Guidelines

A form will be sent home with your child on the first day of school requesting that these documents above be read. Once you have read the documents, please sign the form and have your child return the form to his/her teacher. Thank you.
